16th International Congress on Polymers in Concrete 2018

*“Polymers for Resilient and Sustainable
Concrete Infrastructure”*

Dear Sponsors,

The International Congress of Polymers in Concrete and The University of New Mexico cordially invite you to become a sponsor for the 16th International Congress on Polymers in Concrete (ICPIC2018), to be held in Washington D.C. on April 29 to May 1, 2018. The conference will take place at the Willard Intercontinental Hotel, situated in a coveted location; within walking distance from the White House and National Mall. ICPIC has been the leading congress worldwide in the interactive fields on polymers in concrete for more than 40 years. Building on the success of prior conferences, we anticipate approximately 150+ professional attendees from all over the world and are sure you will enjoy networking opportunities to demonstrate and discuss your company's products and services.

- The exhibit hall will open formally on Monday, April 30. However, the hall will be available from Sunday, April 29 for exhibitors to arrange their booths. Exhibits will close on Tuesday, May 1 at 5 p.m.
- Opening Networking Reception will be held in George Mason University on Sunday, April 29, 2018. Each exhibitor will receive at least one invitation to the Networking Reception. Additional invitations, if requested, will be subjected to additional charges.

Please take a look at the sponsorship packages we have put together for you. Make your selection, fill in the registration form and send it to us at icpic2018@unm.edu. We will follow up with you shortly after that.

April 29th - May 1st 2018

We hope that you can join us. Please feel free to contact us if you need additional information on this event.

The Willard Intercontinental Hotel, WASHINGTON DC, USA

Yours sincerely,

Dr. Mahmoud Reda Taha
